Sisson's Peonies and Gladioli

1925-1926 List—*Retail Only*

W. A. SISSON, MANAGER

GROWN by Wilbur A. Sisson and Wilbur A. Lawson, Rosendale, Wisconsin. Members of the American Peony Society and American Gladiolus Society.

Offer Expires July 15, 1925

**THE SISSON MEMORIAL PRIZE OF \$200.00
FOR A NEW PINK PEONY**

Founded by W. A. Sisson of Rosendale, Wisconsin, in honor of his mother, Pamela Whitcomb Sisson, 1833-1920.

Conditions of competition:

1. The winning variety must be a peony in a shade of deep pink, not previously introduced into commerce.

It must be approved by the judges as an important addition to best existing varieties.

2. The prize shall be open for competition from May 15, 1921, to July 15, 1925, unless it be awarded before the latter date.

3. The prize is to be awarded by the Nomenclature Committee of the American Peony Society for blooms shown at an annual exhibition of that society.

4. At least three blooms must be shown, with not less than 15-inch stems, with foliage.

5. The winning variety is to be named Pamela Sisson, and a root of it is to be presented to W. A. Sisson.

NEW SEEDLINGS

We pride ourselves on keeping up to the minute in all worth-while new seedlings. This is the second year that we have listed all of Judge Vories, C. N. Wettengel's, W. L. Gumm's as well as all the old growers. We buy practically every new seeding that has a price on it, the minute it is announced.

TESTIMONIALS NOT PUBLISHED

Every grower that gets out a list or catalogue has from one to sixteen pages of testimonial letters of flattering praise. We receive quite a number of such letters, but have never published any as we consider this private matter not meant for publication. Probably anyone that knows about peonies, knows of Sisson's Peonies, Rosendale, Wis. However, if you do not know us and send us any money, rest assured it will be returned to you in full unless we can satisfy and please you. On receipt of roots from us, if they do not look right to you, return at once at our expense and we will refund in full. Further, we will make good to you for your time and trouble. A trial order for early September delivery will give you first-hand information. If you like us you will then have ample time to place a second order.

STATEMENT

The home garden is located in the village of Rosendale at the home of W. A. Sisson, where the exhibition garden is on display. Tulips in May, Peonies in June and Gladioli for the balance of the season.

Rosendale village is on a triangle with Oshkosh and Fond du Lac at the intersection of Highway No. 26 and Highway No. 23. Twelve miles from Fond du Lac on cement road and sixteen miles from Oshkosh on gravel road.

The Farm garden is located one mile directly

north of the village on W. A. Lawson's Elmway farm. In a few years we hope to have several acres of flowers.

FALL ORDERS ONLY

Orders will be accepted **any time**, but under no circumstances will they be filled except in the fall, from about September first to freeze-up. At this time the roots are dormant and are easily handled.

HOW TO PLANT

We ship mostly to private parties who are making high class collections and they know how to plant. If you wish any instructions or desire our views in this matter, please write us.

RETAIL ONLY

We are strictly retail and have not sufficient stock to offer anything in a wholesale way.

GRATIS ROOTS

We find great pleasure in sending out gratis roots with orders. In doing so we prefer to give you what you really covet, and not just anything that is convenient for us to throw in. Please name over a dozen or so that would be acceptable to you and we will make a selection.

SIZE OF ROOTS

There is now such a confusion over descriptions covering size of roots shipped out by various firms and persons, that it would be futile for us to add thereto. We send out what we consider to be satisfactory planting size. Each root must have two good strong eyes and will probably have more unless it is an expensive novelty or of the scarce varieties. We guarantee to please you or refund your money.

WE PAY CARRIAGE

We like to pay our own expenses and so we place your order in your hands, prepaid carriage.

OUR GUARANTEE

In a word we guarantee to please you in every way or failing in this we will cheerfully refund your money. Write us from year to year, how roots you have bought from us have done. Please give us a chance to make good in any way, wherein it appears we were at fault.

All prices quoted subject to change without notice.

AMERICAN PEONY SOCIETY

SISSON'S GLADIOLI

The following varieties of Gladioli we are now growing, in a very limited way. We shall have a few bulbs for sale, but mostly bulblets.

Prices are not quoted because we have no idea of what they will be until Fall. Will simply state that our stock will be for sale at market prices and if you are interested write for special quotations.

We specialize in Metzner and Diener varieties and our list contains their most expensive sorts, many of which are not found listed elsewhere.

Retail Only

Please do not ask for wholesale prices as we are retail only and mean to deal in only the late introductions. We carry some of the standard varieties for gratis purposes.

American Gladiolus Society

You should be a member of the American Gladiolus Society. Send your name in to the Secretary, Mr. John C. Davis, 77 South Ave., Rochester, New York, and enclose two dollars. You will receive the Official Bulletin which will keep you in touch with all the news.

MRS. P. W. SISSON

I offered a prize of one hundred dollars cash for a new variety to be used as a Memorial for my mother, Mrs. P. W. Sisson, 1883-1920. This prize was won by Mr. Joe Coleman of Ravenna, Ohio, at the August, 1924, Gladioli Show in New York City.

W. A. SISSON

Mr. Richard Diener of Kentfield, Calif., who has a world-wide reputation as perhaps the greatest introducer of seedlings which produce flowers of sensational size and exquisite colorings, has

very graciously named one of his greatest 1925 novelties for myself.

MARIETTA SISSON

Miss Marietta Sisson of Chicago is the sister who induced me to go into the flower business. To do her honor I have offered a prize of one hundred dollars cash for a new variety to be won at the Rochester Gladioli Show this coming August. This variety will probably be born at this show and on the market by Fall.

All three of the above Sisson varieties are priced at one hundred dollars per bulb. Bulb-lets ten dollars each.

In listing our gladioli as well as peonies, we do not give descriptions as we hope that our list will not come into the hands of any person who is not familiar and well acquainted with every name mentioned.

IRIS

I never thought I should go into the flower business, but my sister was the cause of it.

I did not at first care for gladioli. I grew a few but could not see anything pretty about them. Looking about I saw that there were more people engaged in the growing of gladioli than of any other flower. To find out the cause for this I had some friends make up a named list of the leaders. I then bought the bulbs and made a study of them. I soon learned to love them when I knew them by name.

I have always hated Iris from boyhood days where it grew wild on our farm. From year to year my friends have been laboring with me to take on Iris. Last year they made up the following list for me and I have them growing in our garden. Do you think the list is well-balanced?
